Dated: 23-08-2016

From: Siladitya Basuray, WBCS (Executive)
Joint Secretary to the Government of West Bengal

To: The Vice-Chancellor (All)

_____ University

**Sub: Re-scheduling of dates of the University Examinations due to floods/
Water Logging**

Madam / Sir,

I am directed to inform you that in connection with the reports of flooding and water-logging in different parts of the State which may further aggravate in the coming week leaving many areas marooned and cut off, there may be a need for re-scheduling University Examinations which were originally scheduled to be held at this juncture.

Keeping in mind the practical difficulties being faced by the examinees, who are currently bereft of the usual means of transport and communication, I am directed to advise the State-aided Universities / higher education institutions concerned to re-schedule their examinations in such a manner that the examinees can take the re-scheduled exams at the earliest opportunity upon normalization of the situation, while also taking care to ensure that there is no delay in the declaration of the results by the University authorities.

The announcements for re-scheduling of dates, where applicable and after duly assessing the local flood situation, may be made at the earliest and disseminated widely through web site/ local print and electronic media/ social media etc., for the information of all stakeholders.

This may be kindly be given top priority.

Yours faithfully,

23/8/2016
Joint Secretary
