**Sub : Key points in implementation and monitoring of projects under RUSA.**

Sir/Madam,

I am directed to emphasize the following key points in implementation and monitoring of projects under RUSA:-

- (1) All the beneficiary institutions (Colleges and Universities) should open a dedicated RUSA account in a Scheduled Nationalised Bank and send the details to the Directorate of RUSA.
- (2) No funds other than Government of India releases and State's contribution under RUSA should be kept in the RUSA bank accounts of the beneficiary institutions.
- (3) Each institution will have to form a Project Monitoring Unit with appropriate representation from academic officials of the institution, faculty, senior administrative officers, technical and non-technical support staff and students. The Unit headed by the Head of the Institution, will be responsible for the monitoring of the project at the institutional level.

This may be treated as extremely urgent.

Yours faithfully

Sd/-

Deputy Secretary, Higher Education Department  
& Deputy State Project Director, RUSA
