NOTIFICATION

**Guidelines on admission to Engineering & Technology courses through Lateral Entry Scheme
in various Degree Level Engineering & Technology (including Pharmacy) Courses
in the academic session of 2014-15**

Where as it has been decided by the State Government in the Higher Education Department to continue the admission process on the basis of the norms of the AICTE and other regulatory authorities, the following guidelines are prescribed for admission to various Degree Level Engineering & Technology (including Pharmacy) Courses under the Lateral Entry Scheme in the academic session of 2014-15:

1. The Lateral Entry Scheme will be applicable for all the disciplines except the courses of Architecture in Under Graduate Level Engineering & Technology Programmes as per the provisions laid down by the concerned regulatory authorities.
2. Diploma holders in Engineering and Technology (including Pharmacy) Courses and B.Sc. Degree holders shall be eligible for admission to 2nd year Engineering Degree Courses up to a maximum of 20% of sanction intake (except in Marine Engineering), and this will be over and above the approved intake, i.e. as supernumerary seats. But admission in the second year of Marine Engineering course will only be made against vacant seats carried over from the 1st year available within the sanction intake.
3. However, B.Sc. degree holders are not eligible for admission in B. Pharm Course under the Scheme.
4. It may be stated here that as per the AICTE norms, in addition to the above-mentioned 20% supernumerary seats, additional Vacant Seats (S) in a Course through Lateral Entry is defined as: **$S=SI - (SI - C - F + B)$** where,

S = Vacant Seat(s) and is > zero

SI = Sanctioned Intake

C* = No. of cancellation in the 1st year level

F* = No. of students not eligible for admission to 2nd year as per rule/rules by Affiliating University.

B* = No. of students who belong to earlier batches who have become eligible for admission to 2nd year as per rule/rules by Affiliating University.

* N.B.: Students admitted against any type of supernumerary seat(s) shall not be considered in C, F or B.

5. These vacant seats are made available for admission in 2nd Year through Lateral Entry Process in two ways:

- a) The seats mentioned under para-2, twenty percent (20%) Supernumerary Seats against Sanctioned Intake in 2nd Year will be made available to the candidates through Lateral Entry Counselling, conducted by the West Bengal Joint Entrance Examinations Board (WBJEEB).
- b) Remaining vacant seats mentioned under para-4 arising out of the formula laid down above, will be made available to the Participating Institutes for admission as per Decentralised Counselling norms, as laid down later in this order.

6. **Eligibility criteria for admission through the Lateral Entry Scheme:**

- a) For Diploma holders in Engineering & Technology:

Candidates who have passed Diploma Examination from and AICTE approved institution, with at least 45% marks (40% in case of reserved category students) in appropriate branch of Engineering Technology.

- b) For B.Sc. Degree holders:

Candidates who have passed B.Sc. Degree from a recognized University as defined by UGC with at least 45% marks (40% in case of reserved category students) and passed XII standard with Mathematics as a subject. Students under this scheme

shall also clear the subject of Engineering Graphics / Engineering Drawing and Engineering Mechanics of the 1st year Engineering & Technology Programme in the 2nd year of the Engineering & Technology programme.

c) For Diploma holders in Pharmacy:

Candidates who have passed Diploma Course in Pharmacy from an AICTE approved institution, with at least 45% marks (40% in case of reserved category students)

7. For centralised counselling process conducted by the WBJEEB, admission through Lateral Entry Scheme shall be made strictly on the basis of merit and preference of candidates in the Common Entrance Examination for admission through Lateral Entry Scheme (i.e. JELET).

8. Engineering and Technology Courses including Pharmacy available at Degree Level vis-a-vis the relevant Diploma Programmes applicable for admission under the Lateral Entry Scheme are given below:

9. The Lateral Entry Scheme may be available for all the existing Degree Level Engineering & Technology Colleges of the State under the purview of the Higher Education Department, Government of West Bengal including the State Aided Universities / University Departments. Furthermore, Jadavpur University may invoke some pre-requisite conditions as per their regulations in connection with admission through Lateral Entry. The WBJEE Board will inform candidates about the same. However Indian Institute of Engineering Science & Technology, Shibpur will not admit any student under lateral entry scheme in the academic session of 2104-15.

10. Diploma in Fashion Technology Course of Government Polytechnic Institutions, Tripura will also be permitted for admission to Degree Level Apparel Production & Management Course and Textile Technology Course in Government College of Engineering and Textile Technology, Serampore and Berhamapore under Lateral Entry Scheme in relaxation of the domicile criteria as applicable only for admission to Government Engineering & Technology Colleges.

11. All relevant norms and guidelines of Director General, Shipping, Government of India are to be adhered to by the WBJEE Board for admissions into Marine Engineering Degree Course through Lateral Entry.
